

# 2024 GRANT FIELD JUNIOR CLASSIC

## 9 HOLES RULES SHEET

The 9-hole competition is played from the YELLOW tee markers at Pelican Waters Golf Club and from the WHITE tee markers at Caloundra Golf Club.

The 9-hole round is to be completed in no more than 2hrs 15mins.

- A maximum of **6 shots** is allowed to get the ball on the green
- If a player is not on the green, pick up the ball and place it on the edge of the green. From there a maximum of **4 putts** is allowed to get the ball into the hole. If not achieved, pick up the golf ball and simply write **10 strokes** on the scorecard.
- If a ball is hit into the bunker, the player **MUST** continue to get the ball out of the bunker, but not exceeding their **6 shot** limit. If a player fails to get his or her ball out of the bunker and has had 6 shots, they must pick up their ball and place it on the edge of the green.
- When on the green, the furthest ball from the hole will putt first. From there please encourage that player to continue putting out. **A maximum of 4 putts per hole is allowed per hole, regardless of if a player was on the green for 1 or 6 shots.**
- Air swings are counted as 1 stroke.
